Anti-aging Facial Massage + Mask

Product use: Phytomer, Dermalogica

-Facial cleansing

-Toner

-Facial deep tissue massage

-Custom Facial mask

-Active serum

50 Min/ 1,990.-THB

Rakku Spa's facial massage is based on our technique that involves massaging the face muscle, including the skin around the neck and shoulders. This helps stimulate blood circulation and the lymphatic system, reduces facial muscle tension, relaxes the skin, lifts and tightens, reduces swelling, and helps various nourishing creams penetrate the skin better.

We offer high-quality facial treatment products from Phytomer, Guinot and Dermalogica
